

# KRUISIN' FOR KYLIE CAR SHOW

The planning of the 19<sup>th</sup> annual Kruisin' for Kylie Car Show has already begun! Once again our event will support Hunt for a Cure in their mission to find a cure for Cystic Fibrosis. Included in this year's event are the Show-n-Shine and trophies for the Top 50 and "Best Of" categories. Thanks to the generosity of our sponsors and participants we were able to donate \$10,500 to Hunt For a Cure in 2017. Over the last 9 years we have donated over \$40,000!

Major sponsors will have their name printed on a banner. This banner will be displayed during the show on Saturday. All Monetary contributions – large and small – are greatly appreciated.
