

# KRUISIN' FOR KYLIE CAR SHOW

The planning of the 21st Kruisin' for Kylie Car Show has already begun! Once again, our event will support Hunt for a Cure in their mission to find a cure for Cystic Fibrosis. Included in this year's event are the Show-n-Shine and trophies for the Top 25 and "Best Of" categories. Thanks to the generosity of our sponsors and participants we were able to donate \$8,500 to Hunt For A Cure in 2019. Over the last 10 years we have donated over \$70,000!

Monetary contributions – large and small – are appreciated.
